### A REAL "CHARACTER"

*Bolger? No. Hennessey? Yes.*

Burbank resident, **Mike Hennessey**, is a real character. He actually does over 20 characters. Mike does everything from Spaghetti the Clown to Martin Short.

Hennessey is also the creator of **Mysteries by Mike**, which provides interactive educational mystery shows for children of all ages. The variety of live-theme shows range from takes off of *Survivor*, *Weakest Link*, *The Mole*, and *Murder Mystery Parties*.

With over twenty years of

experience as a stand-up comic and a background in musical theatre, Mike combined his talents and his love for children to create a wacky, fun environment where children can be entertained and educated at the same time.

Last year, *Mysteries by Mike* was voted "Best Kid's Party" by L.A. First Class: The Best

*Van Dyke? No. Its Mike!*

of the Best of L.A.

*Mysteries by Mike* can be contacted by calling **323-654-MIKE**.

## The Ultimate Teen Murder Mystery

It's election night at **Anytown High School**. The candidates for Student Council along with their teacher, **Ms. Spacebar**, have gathered at your place to give their final speeches, and to tell everyone why they should be elected to office. But sometime during the speeches one of the promising young candidates turns up dead, and all the other candidates become prime suspects!

Enter an incompetent detective who immediately takes charge of the investigation and orchestrates an *evidence hunt*. He divides party guests into teams and sends them out in search of clues. Each time a new piece of evidence is discovered the suspects are grilled. Teams are challenged to make accusations, ask questions and test hypotheses - the goal being to solve the mystery and finger the killer (or killers!).

Recommended for children age 10 and up, *The Ultimate Teen Murder Mystery* is a blast for everyone in the room because they are all part of the action. Parents are mailed a complete breakdown, including recommendations for appropriate clothing, once a party date has been secured. Party guests should be *encouraged* to dress and play the part!

## Mike's Original Mystery Party

A mystery guest, a bumbling detective, and a rock with a clue sets the stage for an afternoon of

fun and hilarity you and your children will not soon forget. Soon after a Mystery Guest arrives (*Madame Scooby Dooby Doobwa* or *Peabody VanBuran*), Mom discovers some of the birthday gifts are missing. Enter the lovable detective *Mumbo Jumbo Colombo*, who arrives at the party just in time to help the children find the missing presents.

*Mike's Original Mystery Party* is not a children's mystery play, it's an interactive adventure! The kids themselves play the part of *junior detectives* as they help *Mumbo Jumbo* search out and decipher a series of clues they find throughout the house and yard. Kids are stimulated and challenged as well as wildly entertained. They also collect a lot of neat stuff along the way.

Recommended for children aged 5 and up. *Mike's Original Mystery Party* is the only mystery theme party in Southern California designed exclusively for kids.

## Mike's Messy Mayhem

The full name of this party is the *Mad Mike's Messy Mayhem Party*. Need we say more?

When *Mad Mike* and his assistant, *Kooky Karol* show up at your child's party, they soon make it clear to everyone present that they are restless and bored. Luckily, the two have come to the party by way of the local grocery, so they have bags and bags of goodies in tow. They lead the children outside, lay out the tarps, and begin rummaging through the groceries in search of something to do. Minutes later the children may find themselves *nose painting* with cherry sauce, *shampooing* with whipped cream, or *preparing* peanut butter and jelly sandwiches with their toes. Plus much more.

It's amazing just how fun a couple bags of groceries and an everyday garden hose can be. *Mad Mike's Messy Mayhem Party* is for children aged 3 and up, and is guaranteed to entertain everyone present - including parents. At the conclusion of the party, the children participate in an equally messy awards ceremony.

*Mike* recommends that children dress accordingly, bring their own towel, and a change of clothes.
